75-7c17. Legislative findings regarding uniform standards for licensing and regulation; certain local ordinances and resolutions inapplicable to licensees; limitations on authority of attorney general; liberal construction of act.

(a) The legislature finds as a matter of public policy and fact that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed handguns for self-defense and finds it necessary to occupy the field of regulation of the bearing of concealed handguns for self-defense to ensure that no honest, law-abiding person who qualifies under the provisions of this act is subjectively or arbitrarily denied the person's rights. No city, county or other political subdivision of this state shall regulate, restrict or prohibit the carrying of concealed handguns by persons licensed under this act except as provided in K.S.A. 2014 Supp. 75-7c20, and amendments thereto, and in subsection (b) of K.S.A. 2014 Supp. 75-7c10, and amendments thereto, and subsection (f) of K.S.A. 21-4218, prior to its repeal, or (e) of K.S.A. 2014 Supp. 21-6309, and amendments thereto. Any existing or future law, ordinance, rule, regulation or resolution enacted by any city, county or other political subdivision of this state that regulates, restricts or prohibits the carrying of concealed handguns by persons licensed under this act except as provided in K.S.A. 2014 Supp. 75-7c20, and amendments thereto, and in subsection (b) of K.S.A. 2014 Supp. 75-7c10, and amendments thereto, and subsection (f) of K.S.A. 21-4218, prior to its repeal, or (e) of K.S.A. 2014 Supp. 21-6309, and amendments thereto, shall be null and void.

(b) Prosecution of any person licensed under the personal and family protection act, and amendments thereto, for violating any restrictions on licensees will be done through the district court.

(c) The legislature does not delegate to the attorney general the authority to regulate or restrict the issuing of licenses provided for in this act, beyond those provisions of this act pertaining to licensing and training. Subjective or arbitrary actions or rules and regulations which encumber the issuing process by placing burdens on the applicant beyond those sworn statements and specified documents detailed in this act or which create restrictions beyond those specified in this act are in conflict with the intent of this act and are prohibited.

75-7c20. Concealed handguns in public buildings; when prohibited; public buildings exempted; definitions.

(a) The carrying of a concealed handgun as authorized by the personal and family protection act shall not be prohibited in any state or municipal building unless such building has adequate security measures to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(b) Any state or municipal building which contains both public access entrances and restricted access entrances shall provide adequate security measures at the public access entrances in order to prohibit the carrying of any weapons into such building.

(c) No state agency or municipality shall prohibit an employee who is licensed to carry a concealed handgun under the provisions of the personal and family protection act from carrying such concealed handgun at the employee's work place unless the building has adequate security measures and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(d) It shall not be a violation of the personal and family protection act for a person to carry a concealed handgun into a state or municipal building so long as that person is licensed to carry a concealed handgun under the provisions of the personal and family protection act and has authority to enter through a restricted access entrance into such building which provides adequate security measures and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(e) A state agency or municipality which provides adequate security measures in a state or municipal building and which conspicuously posts signage in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto, prohibiting the carrying of a concealed handgun in such building, as authorized by the personal and family protection act, such state agency or municipality shall not be liable for any wrongful act or omission relating to actions of persons licensed to carry a concealed handgun concerning acts or omissions regarding such handguns.

(f) A state agency or municipality which does not provide adequate security measures in a state or municipal building and which allows the carrying of a concealed handgun as authorized by the personal and family protection act shall not be liable for any wrongful act or omission relating to actions of persons licensed to carry a concealed handgun concerning acts or omissions regarding such handguns.

(g) Nothing in this act shall limit the ability of a corrections facility, a jail facility or a law enforcement agency to prohibit the carrying of a handgun or other firearm concealed or unconcealed by any person into any secure area of a building located on such premises, except those areas of such building outside of a secure area and readily accessible to the public shall be subject to the provisions of subsection (b).

(h) Nothing in this section shall limit the ability of the chief judge of each judicial district to prohibit the carrying of a concealed handgun by any person into courtrooms or ancillary courtrooms within the district provided that other means of security are employed such as armed law enforcement or armed security officers.

(i) The governing body or the chief administrative officer, if no governing body exists, of a state or municipal building, may exempt the building from this section until January 1, 2014, by notifying the Kansas attorney general and the law enforcement agency of the local jurisdiction by letter of such exemption. Thereafter, such governing body or chief administrative officer may exempt a state or municipal building for a period of only four years by adopting a resolution, or drafting a letter, listing the legal description of such building, listing the reasons for such exemption, and including the following statement: "A security plan has been developed for the building being

exempted which supplies adequate security to the occupants of the building and merits the prohibition of the carrying of a concealed handgun as authorized by the personal and family protection act.” A copy of the security plan for the building shall be maintained on file and shall be made available, upon request, to the Kansas attorney general and the law enforcement agency of local jurisdiction. Notice of this exemption, together with the resolution adopted or the letter drafted, shall be sent to the Kansas attorney general and to the law enforcement agency of local jurisdiction. (k) The provisions of this section shall not apply to any building located on the grounds of the Kansas state school for the deaf or the Kansas state school for the blind.

(l) Nothing in this section shall be construed to prohibit any law enforcement officer, as defined in K.S.A. 2014 Supp. 75-7c22, and amendments thereto, who satisfies the requirements of either subsection (a) or (b) of K.S.A. 2014 Supp. 75-7c22, and amendments thereto, from carrying a concealed handgun into any state or municipal building in accordance with the provisions of K.S.A. 2014 Supp. 75-7c22, and amendments thereto, subject to any restrictions or prohibitions imposed in any courtroom by the chief judge of the judicial district.

(B) On and after July 1, 2014, provided that the provisions of K.S.A. 2014 Supp. 75-7c21, and amendments thereto, are in full force and effect, the term “state and municipal building” shall not include the state capitol.
- (6) “Weapon” means a weapon described in K.S.A. 2014 Supp. 21-6301, and amendments thereto, except the term “weapon” shall not include any cutting instrument that has a sharpened or pointed blade.

 - (2) granting such relief would not be contrary to the public interest.
- (f) If the court denies the petition for relief, the petitioner may petition a court of proper jurisdiction for a de novo judicial review of the court's decision to deny such petition.

NEW CARRYING UNDER THE INFLUENCE STATUTE: **GENERALLY APPLICABLE TO ANYONE CARRYING A FIREARM.**

21-6332

Chapter 21.-- CRIMES AND PUNISHMENT

Article 63.—CRIMES AGAINST THE PUBLIC SAFETY

21-6332. Possession of a firearm under the influence.

- (a) Possession of a firearm under the influence is knowingly possessing or carrying a loaded firearm on or about such person, or within such person's immediate access and control while in a vehicle, while under the influence of alcohol or drugs, or both, to such a degree as to render such person incapable of safely operating a firearm.
- (b) Possession of a firearm under the influence is a class A nonperson misdemeanor.
- (c) This section shall not apply to:
 - (1) A person who possesses or carries a firearm while in such person's own dwelling or place of business or on land owned or possessed by such person; or
 - (2) the transitory possession or use of a firearm during an act committed in self-defense or in defense of another person or any other act committed if legally justified or excused, provided such possession or use lasts no longer than is immediately necessary.
- (d) If probable cause exists for a law enforcement officer to believe a person is in possession of a firearm under the influence of alcohol or drugs, or both, such law enforcement officer shall request such person submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The

selection of the test or tests shall be made by the officer.

(e) (1) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

(A) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person;

(B) a registered nurse or a licensed practical nurse;

(C) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate/defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or

(D) a phlebotomist.

(2) A law enforcement officer may direct a medical professional described in this subsection to draw a sample of blood from a person if the person has given consent or upon meeting the requirements of subsection (d).

(3) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(4) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(5) If a sample is to be taken under authority of a search warrant, and the person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(6) A law enforcement officer may request a urine sample upon meeting the requirements of subsection (d).

(7) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by:

(A) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person;

(B) a registered nurse or a licensed practical nurse; or

(C) a law enforcement officer of the same sex as the person being tested.

The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in paragraphs (2) and (3) shall apply to the collection of a urine sample.

(8) The person performing or assisting in the performance of any such test and the law enforcement officer requesting any such test who is acting in accordance with this section shall not be liable in any civil and criminal proceeding involving the action.

(f) (1) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of possession of a firearm under the influence of alcohol or drugs, or both.

(2) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(3) In any criminal prosecution for a violation of this section, if the court finds that a person refused to submit to testing when requested pursuant to this section, the county or district attorney, upon petition to the court, may recover on behalf of the state, in addition to the criminal penalties provided in this section, a civil penalty not exceeding \$1,000 for each violation.

(g) If a person who holds a valid license to carry a concealed handgun issued pursuant to K.S.A. 2014 Supp. 75-7c01 et seq., and amendments thereto, is convicted of a violation of this section, such person's license to carry a concealed handgun shall be revoked for a minimum of one year for a first offense and three years for a second or subsequent offense.

(h) In any criminal prosecution for possession of a firearm under the influence of alcohol or drugs, or both, evidence of the concentration of alcohol or drugs in the defendant's blood, urine, breath or other bodily substance may be admitted and shall give rise to the following:

(1) If the alcohol concentration is less than .08, that fact may be considered with other competent evidence to determine if the defendant was under the influence of alcohol or drugs, or both.

(2) If the alcohol concentration is .08 or more, it shall be prima facie evidence that the defendant was under the influence of alcohol.

(3) If there was present in the defendant's bodily substance any narcotic, hypnotic, somnifacient, stimulating or other drug which has the capacity to render the defendant incapacitated, that fact may be considered to determine if the defendant was under the influence of alcohol or drugs, or both.

(i) The provisions of subsection (h) shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether or not the defendant was under the influence of alcohol or drugs, or both.

(j) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.
